INSTRUCTIONS

NEBRASKA SCHEDULE I. This schedule is provided to assist in the preparation of your Nebraska Tobacco Products Tax Return, Form 56. Enter your name, identification number, and tax period in the space provided and complete the schedule. If additional space is required to list all imports and exports, attach a schedule with the same information. A computerized schedule containing the same format and information may be filed in lieu of this schedule. Attach the white copy or computerized schedule to Form 56 and return it to the Nebraska Department of Revenue. Records to substantiate this schedule must be retained for a period of not less than three years after the due date of the return.

SPECIFIC INSTRUCTIONS

TOBACCO PRODUCTS IMPORTED. Enter the requested information for each shipment of tobacco products (other than cigarettes) imported into Nebraska during the month for which Form 56 is being filed.

NET INVOICE PRICE. Net invoice price represents the invoiced amount less all trade and cash discounts allowed

and received by the person or company whose name is preidentified on this return.

TOBACCO PRODUCTS MANUFACTURED AND SOLD IN NEBRASKA. Persons who manufacture tobacco products (other than cigarettes) in Nebraska and sell such items to other individuals and retailers in this state must include such sales on Schedule I, Form 56, for the same tax period the Form 56 is being filed. The net invoice price for the manufacturer is the manufacturer's selling price less all trade and cash discounts allowed and received by the purchaser. The manufacturer must provide sufficient information for each type of tobacco product manufactured and sold.

LINE 1. Enter the total net invoice price on Form 56, line 1.

EXPORTS TO OTHER STATES. Enter the requested information for each customer to whom you have exported tobacco products (other than cigarettes) during the month for which Form 56 is being filed.

LINE 2. Enter the total net invoice price on Form 56, line 2.
